69. Dynamics of Economic Well-Being: Program Participation, Who Gets Assistance? 1993 to 1994. 12 pp. \$2. GPO S/N 803-044-00061-9. <www.census.gov/prod/99pubs/p70-69.pdf>

Data Files

Data files recently released by the Census Bureau are listed below. They are sold by Customer Services

(301-457-4100) unless otherwise noted. Use the Census Bureau order form.

The cost of new files on computer tape generally is based on the file size, with the minimum charge being \$175. The files are offered on tape reels or tape cartridges. Data files also are offered on CD-ROM. The price for a mass-produced CD-ROM, prepared for popular files, generally is \$150. CD-ROMs released after October 1999 are generally priced at \$50.

CD-ROMs also can be prepared on request for data files otherwise available only on tape reel or cartridge. The cost for such CDs is the same as the cost for the tape file. The CD files are ASCII copies in the same format as on tape, and they are not accompanied by software. Since the discs are specially prepared in response to customers' requests, orders take about 2 weeks. For further information about this service, contact Customer Services.

Files available on diskette for IBM compatible microcomputers also are listed.

An ever increasing variety of data files and product information (including this publication) can be accessed via the Internet. (See "Internet New PDF Publications" section for more information.)

Free *Data Developments* booklets provide brief descriptions of most files. *Data Developments* from 1997 to date are available online (<www.census.gov/aprd/datadev/datadev1.html>).

CD-ROM Discs

CD-FTD99-EX-08*. U.S. Exports of Merchandise—International Harmonized System Commodity Classification (HS-Based Schedule B) by Country, by Customs District, August 1999. \$150.

CD-FTD99-IM-08*. U.S. Imports of Merchandise—International Harmonized System Commodity Classification (HTSUSA) by Customs District, August 1999. \$150.

Microcomputer Diskettes

October 1999 and Historical Building Permits Data by State, Metropolitan Area, and Individual Permit-Issuing Places. For ordering

information, contact Manufacturing and Construction Division, Residential Construction Branch, telephone 301-457-1321.

Internet

All printed reports issued beginning January 1996 are available on our web site (<www.census.gov>). These documents are in Adobe Acrobat Portable Format (PDF). To view these publications, you will need Acrobat Reader, available free from the Adobe web site. There is a link to this site from the Census Bureau's site. The direct URL is <www.census.gov/prod/www/titles.html>.

For up-to-date information on new additions to our web site (including non-PDF files); sign up for a free e-mail subscription to the Census I-Net Bulletin at <www.census.gov/mp/www/subscribe.html#SUB>. You also can sign up there for e-mail subscriptions to *Monthly Product Announcement* and *Census and You*.

CenStats applications are being offered without charge. The data will eventually be integrated into our web site.

For the latest online information about Census Bureau products and how to obtain them, select Catalog from the sidebar on our home page (<www.census.gov>).

If you have technical questions you may e-mail them to webmaster@census.gov.

How to Order

Publications

Most Census Bureau publications are available through the Census Bureau's Customer Services or the Government Printing Office (GPO). They are also available in PDF format through the Census Bureau's

web site. The new publication entries in this *Monthly Product Announcement* direct you to the right source and, if available via Internet, the web site's URL.

Both Customer Services and the GPO accept phone or fax orders when you charge to VISA, MasterCard, Discover, or a deposit account. In addition, Customer Services now accepts the American Express card. Both offer express service for off-the-shelf products for an extra charge when you order by phone.

Generally, if you order 100 copies or more of a publication sent to one address, you may take a 25-percent discount.

Data Files

To order data files, use the Census Bureau order form or order by phone or fax, unless the entry gives other instructions.

Technical documentation accompanies each file, or it often may be ordered separately, using the Census Bureau form.

Files on computer tape are offered on tape reels or tape cartridges. The tape cartridges are IBM 3480 compatible (operable with StorageTek 4780 tape subsystems and Digital Equipment Corporation VAX TA90 subsystems).

When mass-produced, files on CD-ROM also are listed in the "Data Files" section earlier in this publication. Other tape files can be produced on CD-ROM by special order for the price of the tape. See the discussion under "Data Files."

Some data files are available on diskettes for IBM and compatible microcomputers.

Priority Service

Customer Services offers priority service for CD-ROMs for an extra \$25 fee when you order by phone or fax. Orders received before 2:00 p.m. eastern time are processed and shipped the same day.

Did you know ?

The MPA is also available via the Internet at <www.census.gov/mp/www/mpa.html#MPA> and by e-mail subscription. The electronic issue is available in advance of the printed version.

To convert your paper subscription to an e-mail subscription, subscribe at <www.census.gov/mp/www/subscribe.html#MPA>. Then, e-mail the name and address that appears on your MPA mailing label to mary.kilbride@cmail.census.gov for deletion from the printed mailing list.

For Further Information

Customer Services staff (301-457-4100) often can be of assistance. Staff at census regional offices also offer guidance and assistance to data users. They maintain a collection of Census Bureau reports that you can consult. To learn more, call the information specialist at these telephone numbers:
